Friday 27th April 2018

Dear Parents,

It has been lovely to welcome the children back this week, looking smart in their summer uniforms. I trust you have all enjoyed the Easter break. It has been good to have some sunny weather at last!

Our first newsletter of the summer term will be sent to you next week, but there are a few things to mention before then.

Year 5 and 6 Parent Conferences

We look forward to seeing Year 5 and 6 parents at the conferences next Tuesday and Thursday evening. Please contact your child's form tutors if you need to check or amend meeting times.

The plans for the exciting Winter 2019 ski trip to La Plagne, France, are progressing well. If you have already expressed interest but haven't yet secured your place, I would gently remind you that deposits are due on Tuesday 1st May. Since the initial email, a number of other families have expressed an interest. If the deposit deadline passes and places are still available, we will offer these places out. If we fill all the current places then I will look into the possibility of booking more rooms, but this cannot be guaranteed as it depends on the hotel we have booked. If you are still considering whether you would like to join us on the trip, please let me know; we don't want anyone to miss out! The snow conditions this Easter were amazing; let's hope we get the same again next Easter!

FOYS Quiz Night

It is the FOYS Quiz Night tonight, rescheduled from when the snowy weather hit us last term. I look forward to seeing many of you there. We will also be hosting a FOYS coffee morning on Friday 4th May, and all parents are warmly welcome to join them in the school library at 9am.

FOYS Spring Fair

Of course, we are all looking forward to the Spring Fair on Saturday 12th May. We hope to see as many of you as possible there as it is a lovely family event.

We are holding our very own food festival as part of the Spring Fair and we are looking for anyone who may like to have a stall at the event. As per our mission, we are looking for food related stalls that can offer something that is nutritious and delicious as well as fun for the children. There is no charge for the stall and all sales will be your own, our aim is to give the children the opportunity to have fun and be inquisitive around healthy eating.

Meet the New Headteacher

I am already working closely with Mrs Sally Weber Spokes, our new Headteacher from September, and she will also be coming to the Fair. If you have not already met her, we invite parents from across the school to join us to meet our passionate and engaging new Headteacher on the following dates...

Monday 21st May @ 17:00 – Parents of children in the Senior Prep
Wednesday 23rd May @ 09:00 – Parents of children in the Pre-Prep
Wednesday 23rd May @ 15:00 – Parents of children in the Junior Prep

School Uniform and Equipment

We have this week reminded the children about being organised and ensuring they have the correct equipment for coming to school each day. In the warmer weather, each child will need their tribe cap and named water bottle. Please support us in ensuring that all students are looking smart, arriving at and leaving school each day in blazers and school shoes.

Curriculum Maps

Don't forget curriculum maps for each year group are available on the school's website for you to see, giving an overview of topics that are covered in this term. In addition, our updated fees for 2018/2019 have been published for you to see.

Have a super weekend.

Best wishes

Mrs Linda Sharpe
